Catering information

What number of people can you cater for?

That depends on what function space you select.

What catering options do I have?

A variety of catering options are available to suit your event. Our Function Manager will liaise with you directly to assist in selecting the best catering solution for your event.

Can everyone order and pay for their own meals?

Yes, but only when booking a Function space as a 'dry hire' event. More information on 'dry hire' is found on the FAQ section of this brochure.

FAQ's

Do I need to be a Club Member to use the function spaces?

- **Yes.** Membership starts from just \$2.50 for 12 months.

Will a deposit be required?

- **Yes.** A 50% deposit of the function cost is required when booking. The remaining balance is payable 7 days prior to the event date.

Can I hire a function space without commitment to food and beverage purchases?

- **Yes.** This option is available as a 'dry hire', allowing flexibility for your guests to make individual purchases. Operational and staff costs are higher, which is reflected in the higher cost.

Is there accessibility at the Club?

- **Yes.** There is disability accessibility throughout the Club, including parking, lifts and toilets.

Does the Club have parking?

- **Yes.** Private off-street parking is available at our two-story parking complex next door, free of charge for patrons.
